Accordingly, Owner further agrees that Owner will NOT hold Wags & Wiggles responsible in the event that Owner's dog(s) contracts Kennel Cough. Moreover, Owner understands and agrees that it is Owner's responsibility to continue to disclose, on an ongoing basis, any and all changes or relevant additions to Owner's dog(s) medical or physical conditions, including, but not limited to personality concerns or behaviors that may affect, limit or prevent the dog(s)' ability to participate in play or social time while attending Wags & Wiggles _____(initials)

18. Owner expressly hereby agrees to maintain any and all vaccines required by Wags & Wiggles current and up to date, i.e., Bordatella, Rabies, & DHPP, and to provide satisfactory written documentation of such current status to Wags & Wiggles as may be requested from time to time. Moreover, Owner understands and agrees that if Owner fails to provide such written documentation to Wags & Wiggles then Owner's dog(s) will not be admitted to Wags & Wiggles. _____(initials)

Owner understands and agrees that Owner's dog(s) that exhibits coughing symptoms, has diarrhea, or evidences signs or symptoms of nasal or eye discharge may not attend Wags & Wiggles. Owner understands and agrees that Owner's dog(s) must be completely free of any and all such symptoms for at least 10 days before being admitted or returned to Wags & Wiggles, unless Owner provides a note to Wags & Wiggles from Owner's veterinarian approving attendance of Owner's dog(s) at Wags & Wiggles for participation in a play and social environment. _____(initials)

20. Owner understands and agrees that Wags & Wiggles performs a daily "nose to tail" roll call of every dog present at the Wags & Wiggles facilities each day. Owner further understands and agrees that if Owner's dog(s) comes in contact with a virus while at Wags & Wiggles Owner's dog(s) may not exhibit symptoms until a later time, often when Owner's dog(s) is relaxed and returns home because dogs often may naturally hide illness when in a facility. _____(initials)

21. Owner understands and agrees that if Owner's dog(s) exhibits symptoms or signs of illness while at Wags & Wiggles then Owner's dog(s) may, at the sole discretion of Wags & Wiggles, be moved to an isolation area away from other dogs. Owner will still be responsible for any fees related to their stay at Wags & Wiggles. _____(initials)

22. Owner further understands and expressly agrees that each and every of the foregoing provisions contained and set forth above, and in this Service Contract in its entirety, shall be in full force and effect, and shall apply to each and every occasion on which Owner boards or deposits Owner's dog (s) with Wags & Wiggles for daycare, extended boarding, or training, as the case may be; and that this Service Contract shall remain in full force and effect as between the parties until and unless otherwise cancelled or superceded by a writing signed by the parties. _____(initials)

23. Owner hereby certifies that Owner has read and understands this Service Contract and each of its provisions as set forth above, and that Owner hereby expressly agrees to abide and be bound by all of the terms and conditions of this Service Contract.

NOTIFICATION OF USE OF FOOD DURING DAYCARE ACTIVITIES

Wags & Wiggles has implemented a unique activity during the regular daycare day. Dogs will receive a Quick Train Session during the day. This does not take the place of a structured training program at home such as obedience classes, private lessons, dayschool or board/train. These Quick Train sessions are very short and take place in groups of the daycare dogs. The purpose of this program:

- To give dogs a chance to learn something new in the daycare. It's not all about chase and wrestle.
- To give the staff better control through cues over the pack
- To reward good behavior as the dogs are entering and exiting the building & play areas

The Quick Train lessons focus on teaching your dog to sit in groups and come when called. For advanced dogs, it may include stay, leave it and shake. We are implementing this to improve your dog's experience in daycare and help our staff communicate better with your dog.

All dogs are expected to understand SIT before coming into our facility however if a dog is struggling to sit in the group, an individual session will be done.

Your dog may be excluded from these activities ONLY if they have a severe food allergy. All dogs are REQUIRED to participate in Quick Train Sessions. We use Zukes (Salmon Flavor) as the treats during the Quick Train. Most dogs will not receive more than 5-10 small Zukes in any given day.

- I have read and understand that my dog will be participating in the Quick Train Program
- My dog has food allergies and CAN NOT eat Zukes Salmon Treats
